

PLT Tools Example
 Bootstrap Analysis
 All bootstrap analyses (N = 50)

Horizontal gray lines at percentiles 2.5, 5, 50, 95, 97.5
 Vertical lines: red: original estimate; green/blue: mean/median of bootstraps
 Property of P Less Than (Confidential)

Y-axis displays cumulative percent of values less than or equal to that value

PLT Tools Example
Bootstrap Analysis
All bootstrap analyses (N = 50)

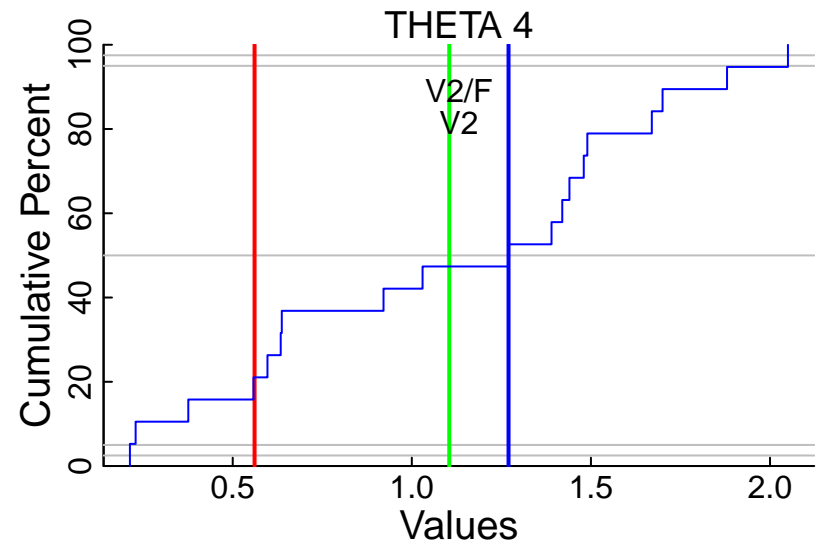

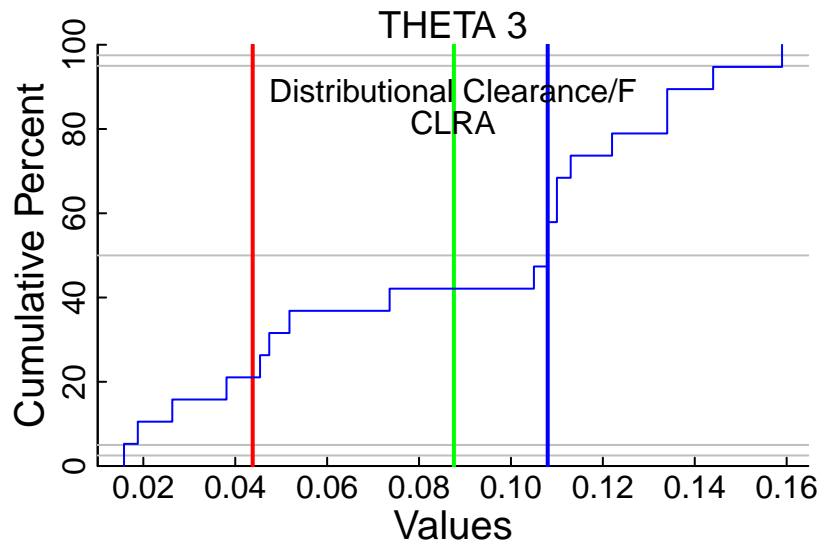

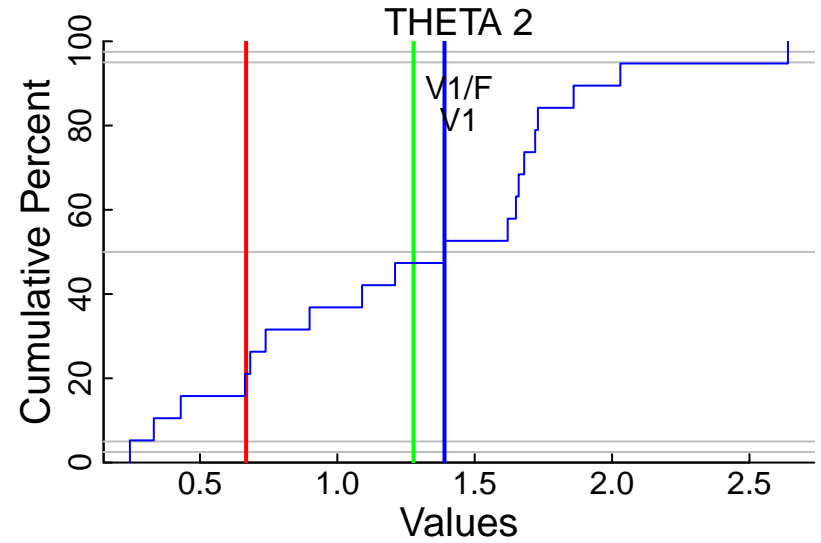

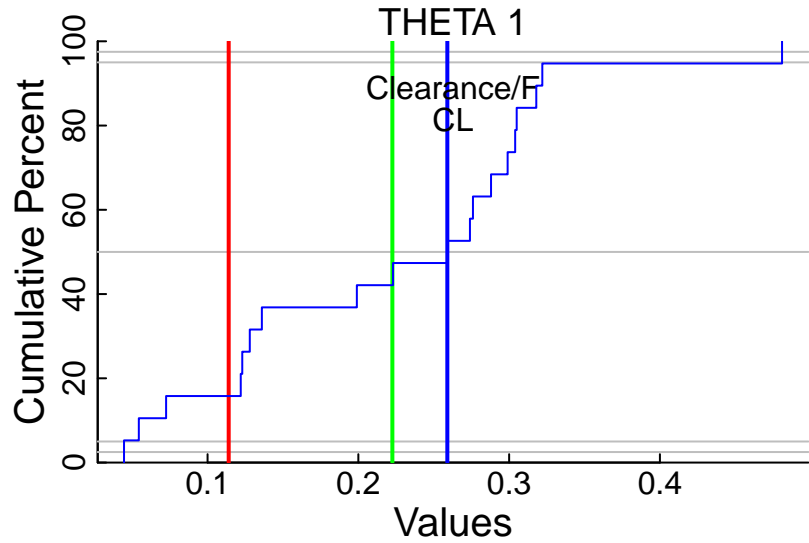

Y-axis displays cumulative percent of values less than or equal to that value

PLT Tools Example

Bootstrap Analysis

Excludes bootstrap analyses with significant digits reported as 'unreportable' (N = 19)

Horizontal gray lines at percentiles 2.5, 5, 50, 95, 97.5

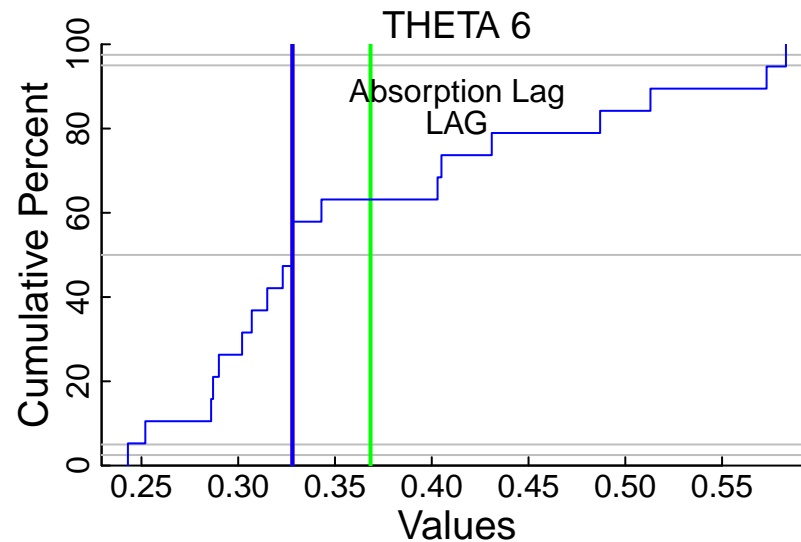

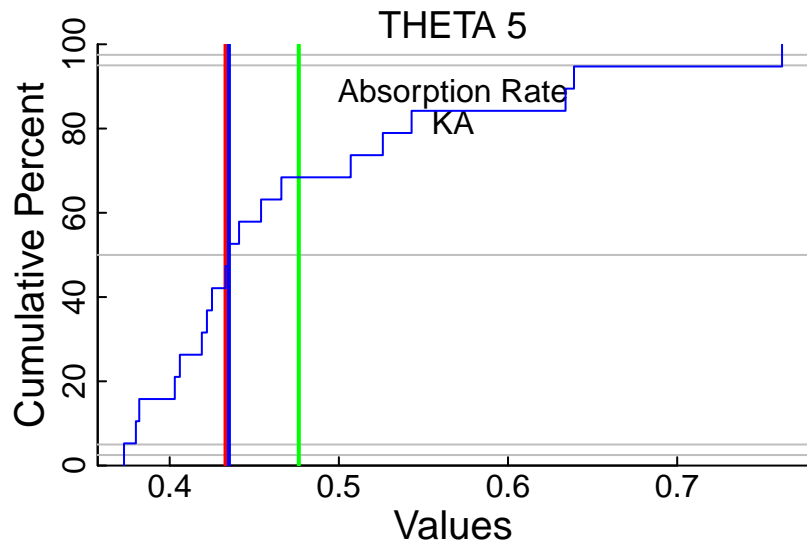

Vertical lines: red: original estimate; green/blue: mean/median of bootstraps

Property of P Less Than (Confidential)

PLT Tools Example

Bootstrap Analysis

Excludes bootstrap analyses with significant digits reported as 'unreportable' (N = 19)

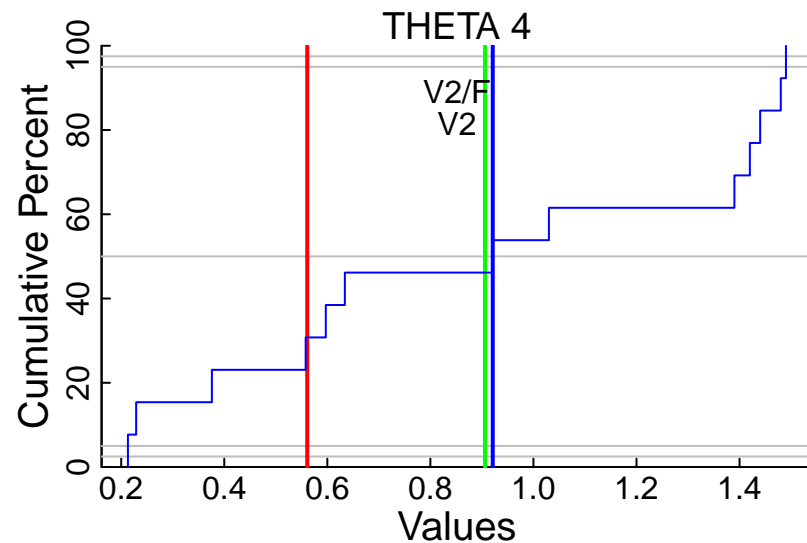

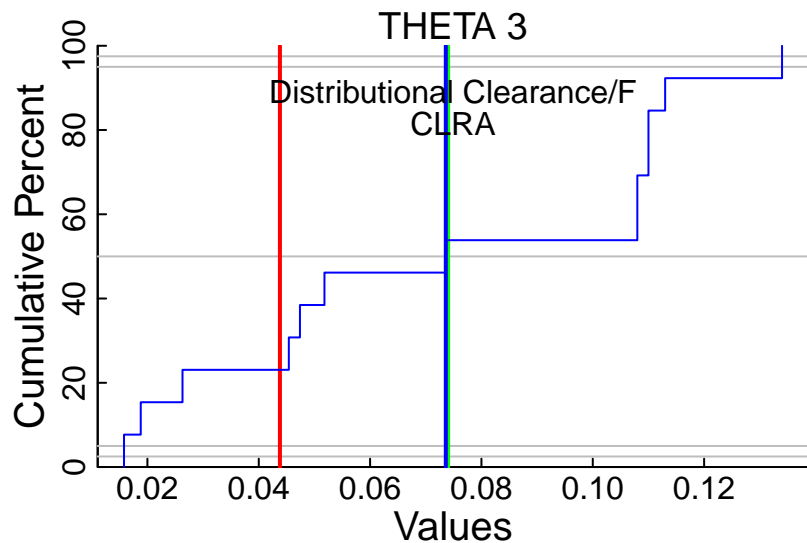

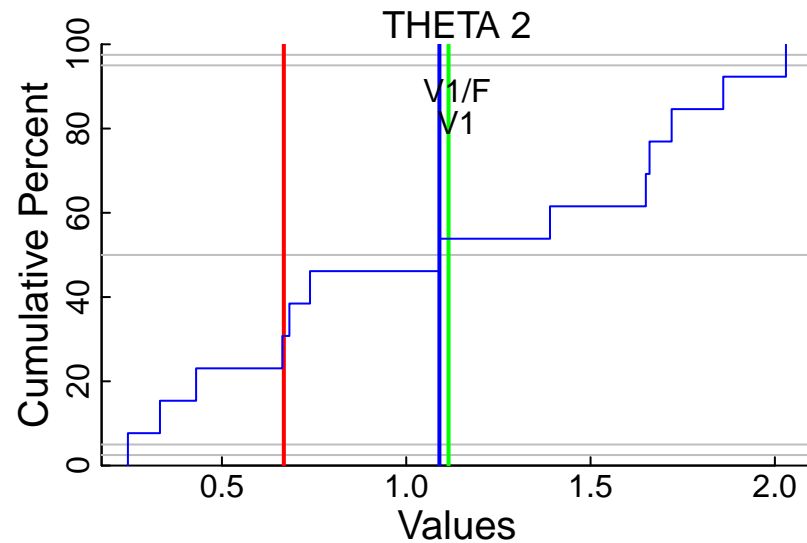

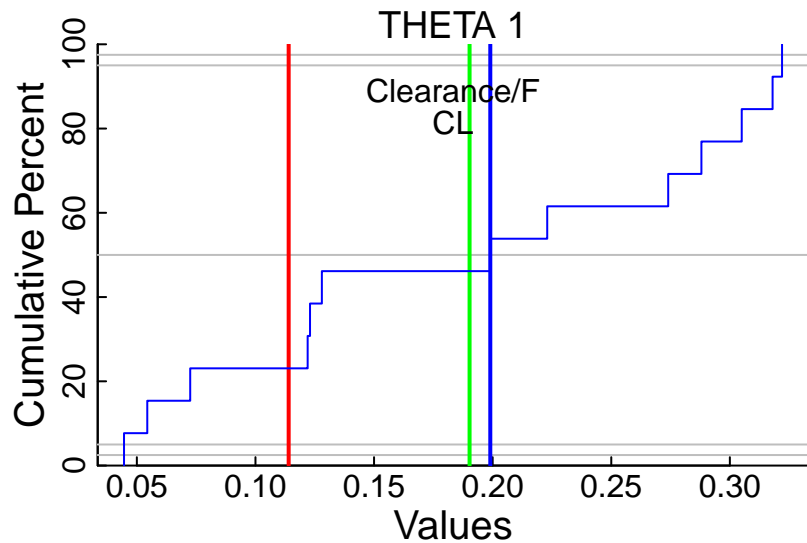

Y-axis displays cumulative percent of values less than or equal to that value

PLT Tools Example

Bootstrap Analysis

Only those bootstrap analyses that converged to 3 or more digits (N = 13)

Horizontal gray lines at percentiles 2.5, 5, 50, 95, 97.5

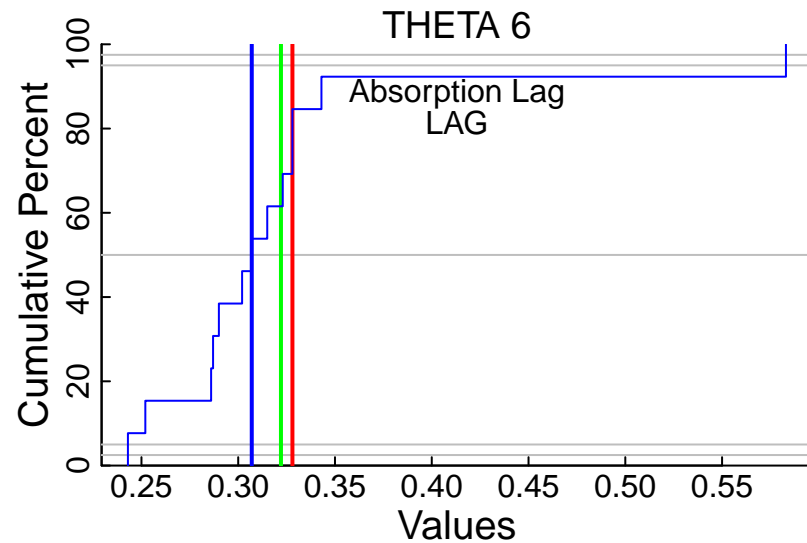

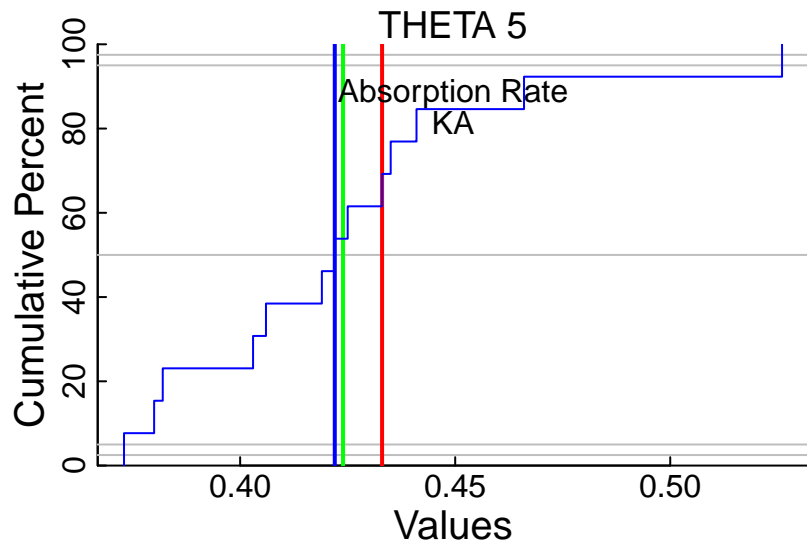

Vertical lines: red: original estimate; green/blue: mean/median of bootstraps

Property of P Less Than (Confidential)

PLT Tools Example

Bootstrap Analysis

Only those bootstrap analyses that converged to 3 or more digits (N = 13)

Y-axis displays cumulative percent of values less than or equal to that value
